

Material Safety Data Sheet

Reference number SV
Revision Date 10 / 02 / 2002
Revision number 003
Material / Trade name Firestopit Fire Sleeves

1 – Substance Identification

Material / Trade Name Firestopit Fire Sleeves
Company Name: Firestopit.com Ltd
Swadlincote Road,
Woodville, Swadlincote,
Derbyshire. DE11 8DD
Telephone (01283) 229022
Fax (01283) 222219

2 - Composition

Elastomeric acoustic foam laminated with an intumescent compound, attached to steel backing.

3 - Hazard Identification

None.

Not classified as dangerous under CHIP regulations 1994/ Amendments 1997

4 - First-aid Measures

Inhalation Remove to fresh air and rest. If symptoms persist obtain medical advice.
Eyes Irrigate with water for at least 15 minutes. Obtain medical attention if irritation persists.
Skin Non Irritant
Ingestion Wash out mouth with plenty of water. Give plenty of water to drink. Seek medical attention immediately.

5 – Fire-fighting measures

Suitable Extinguishers All standard fire-fighting media
Hazardous Decomposition Oxides of Carbon.
May decompose to form Hydrogen Cyanide and Nitrous Oxide.
Special Procedures Use approved self-contained breathing apparatus

6 – Accidental Release Measures

Wear protective gloves while handling. Place in container to wait transfer. Dispose of in accordance with local authority requirements.

7- Handling and storage

Wear gloves while handling.

Store in a cool, dry area, off the ground.
Avoid extremes of temperature.

8 – Exposure Control

Occupational Exposure Limit None

9 – Physical & Chemical Properties

Appearance Black foam strips on a steel plate.
Solubility Immiscible in water
Flammability Non combustible

10 – Stability and Reactivity

Stability Stable at normal temperatures

Hazardous Decomposition Products None Known

11 – Toxicological Information

Health Effects No toxic effects known.

12 – Ecological Information

Not readily biodegradable

13 – Disposal Considerations

No special disposal necessary. Dispose of in accordance with local authority requirements.

14 – Transport Information

No regulations apply for the transport of this material. Not classified as hazardous for road, rail, sea or air transport.

15 – Regulatory Information

Wear suitable protective coating

Not classified as dangerous under CHIP regulations 1994/ Amendments 1997

The information contained in this document does not constitute the users own assessment of workplace risk as required by other safety legislation.

16 – Other Information

Compiled according to the CHIP regulations 1994/Amendments 1997.
